DETAILED ACTION

This office action is in response to Applicant's amendment submitted February 23, 2011, wherein claim 1 is amended. Applicant's declaration of Dr. Ali Rez Haji Behli submitted February 23, 2011 under 37 CFR 1.132, is acknowledged and will be further discussed below. The election of species requirement of January 3, 2008 is withdrawn. Claims 1-9, 11-33, 35-46, and 73-81 are pending.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mark Farley on March 14, 2011.

The application has been amended as follows:

Cancel claims 28, 29, 45, 46, and 79.

The following is an examiner's statement of reasons for allowance: The rejection of claims 1-9, 11-13, 16-18, 21-33, 35-38, 43-44, 73-75, and 77-18 under 35 U.S.C. 103(a) as being unpatentable over Biella in view of Fuertes and Biella is withdrawn. Applicant has shown that gold/metal oxide support is more durable than gold/carbon support for oxidation of carbohydrates. This effect was not suggested by the art of record. The declaration submitted February 23, 2011 contains representative data for a variety of carbohydrates, pH ranges, and metal oxides, and the durability effect is evident in each case. This data is considered sufficient to determine a trend which would allow the skilled artisan to reasonably extend the probative value thereof.

Accordingly, Applicant's declaration as discussed above and the Examiner's amendment set forth above are sufficient to remove all rejections made in the prior office action and to place the application in condition for allowance.

Claims 1-9, 11-27, 30-33, 35-44, 73-78, and 80-81 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to LAYLA BLAND whose telephone number is (571)272-9572. The examiner can normally be reached on Monday - Friday, 7:00 - 3:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Anna Jiang can be reached on (571) 272-0627. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
